

CERTIFICATE

01 /EN / 2026

This is to certify that
ALUPROF S.A. confirms that:

Company

UAB „BODESA"

has participated in a certified training on the production of insulating glass units dedicated to the **Deflection Reduction of Mullions (RTD)** solution used in ALUPROF S.A. curtain wall systems.

This certificate confirms a positive result of the adhesion strength tests of the RUR system, based on the test report No. **10/PL/2026.**
The certificate is issued without an expiry date.
